Re: **Letter of Recommendation**

I am writing on behalf of Elvis Sanchez who has been employed by the MTA since June 21, 2016. Elvis has been working on an MTA Pension project under the direction of the MTA Pension and IT Departments. This project has been underway for quite some time and would not have been able to be completed without the performance and dedication from Elvis. As the Project Manager, I hired a number of temporary employees to handle the preparation of documents to be sent out and scanned into electronic files. The preparation of these documents was constantly changing due to the various types of files we received from the MTA Depots and our record retention center. Elvis was able to adapt to the changes in procedure without question and without any hesitation in keeping the pace of the work steady until completion. This project included a massive amount of work and Elvis showed no issue at all when the timeline grew nearer and the work volume grew larger. It was my pleasure to work with him and would highly recommend him for future opportunities. Please feel free to contact me if you have questions.

Thank you,
